1 APPROVAL PAGE

This page certifies that the Register of Licenses, maintained by TTBS, has been approved by the relevant manager.

I, Rodney Ramnath, in my capacity as the Manager of the Certification Division, hereby confirm that this Register of Licenses has been reviewed, evaluated, and authorized for use by TTBS.

This register serves as a resource which provides information about organizations and individuals that are certified by TTBS, and where applicable, granted licenses to use the TTBS certification mark on their products. This Register aligns with the organization's mission to maintain transparency, promote public trust, and facilitate the verification of certificates and licences issued by TTBS.

We express our appreciation to all the individuals involved in the development, implementation, and maintenance of the Register of Certificates and Licenses.

Signature: 

Name: Rodney Ramnath

Position: Manager, Certification Division, Trinidad and Tobago Bureau of Standards

Date: 2023-08-25

2 INTRODUCTION

Welcome to the official Register of Certificates and Licenses, issued by the Certification Division of the Trinidad and Tobago Bureau of Standards (TTBS).

This register serves as a resource which provides information about organizations and individuals that are certified by TTBS, and where applicable, granted licenses to use the TTBS certification mark on their products.

This information in the register includes:

- the name and address of the organization
- the scope of certification and/or goods named in the certificate or licence
- the date of issue and expiry of the certificate or licence
- the status of suspended or withdrawn certificates or licences to ensure that these are not used in a misleading manner.

The register does not include information on certificates or licences which are expired.

This register will be updated on a quarterly basis to ensure that it remains up-to-date. While every effort is made to ensure the accuracy and reliability of the information contained within the Register, TTBS does not guarantee the completeness, timeliness, or accuracy of the data. The information provided is subject to change, updates, and potential errors. It is the responsibility of the user to verify the information with TTBS. Interested parties can contact the Certification Division of TTBS at (T) 662-8827 ext 2221 or (E) certification@ttbs.org.tt

3 THE CERTIFICATION DIVISION OF THE TRINIDAD AND TOBAGO BUREAU OF STANDARDS (TTBS)

The **Certification Division** of the Trinidad and Tobago Bureau of Standards (TTBS) is an independent and accredited certification body, and is designated as the National Quality Certifying Body by the Standards Act (Chapter 82:03 of the Laws of Trinidad and Tobago). It provides the following services:

- Certification of Products to various national standards
- Certification of Management Systems to the following standard:
 - ISO 9001 (quality management systems – requirements)
 - ISO 14001 (environmental management systems - requirements and guidance for use)
- Certification of Tourism Services under the Trinidad and Tobago Tourism Industry Certification (TTTIC) programme to various national standards

The overall aim of certification is to give confidence to interested parties that the systems, products and services conform to requirements. These requirements are usually stated in national, regional and international standards but can be specified in other normative texts as well.

Certification assessment activities include, where applicable:

- Audits of systems and services
- Sampling, inspection and testing of products
- Surveillance activities.

The audit includes an evaluation to determine whether an organization complies with the requirements of the standard, the effectiveness of the system and the organization's overall performance, and more specifically involves the following

- Interviews with employees
- Reviews of records
- Observations of processes

As the name implies, organizations which achieve certification will receive a certificate from TTBS, and where applicable, granted licenses to use the TTBS certification mark on their products. This mark communicates to interested parties that TTBS has assessed the product and is satisfied that it conforms to the applicable requirements.
